Morningstar Investment Management LLC Analysis

We are placing Franklin Small Cap Growth on watch due to the departure of lead portfolio manager Michael McCarthy, who retired at the close of Q4 2025. The new lead manager is longtime comanager Brad Carris, who has been on the strategy since March 2004 and now works alongside newly appointed comanager JJ Swartz. Swartz joined Franklin in 2022 as an industrials analyst and has no prior track record as a portfolio manager. While the fund is on watch, we will assess its performance, investment style, and prospects for competitive risk-adjusted results under the current management team.

This fund fails our expense screen with fees that are higher than the broad category average. Plan costs are sometimes wrapped into fund fees, but because costs are predictive of a fund's future relative performance, we would still like to see lower overall expenses here.

Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.
