Morningstar Investment Management LLC Analysis

We are taking American Century Heritage off watch status. The fund had been on watch due to the retirement of longtime lead portfolio manager Rob Brookby in mid-2025. Remaining co-manager Nalin Yogasundram is now the lead manager and is well equipped to continue the fund's established process. He started on the fund as an analyst in 2013 and became a named co-manager in 2016. There have been no changes to the process since Brookby's retirement, and performance remains in line with expectations. American Century has appointed a new co-manager and the supporting resources are adequate here. Thus we are comfortable taking the fund off watch.
