Quantitative Screens

The Performance screen is not applicable for funds with less than three years of data.

× Management: The fund's management team has been in place for less than three years.

✓ Style: The fund has landed in its primary style box — Large Blend — 71.43 % of the time over the past three years.

✓ Net Expense: The fund's expense ratio of 0.39 is 29.09% lower than the Target-Date 2065+ category average.

Morningstar Investment Management LLC Analysis

This fund fails our manager tenure screen; however, this is due to a recent inception date. The current management team is experienced and the investment process is consistent with our expectations, so we do not regard the screen failure as significant.
