Morningstar Investment Management LLC Analysis

We are placing Ivy International Core Equity on watch in our fiduciary programs. This fund fails some of our performance screens and its trailing three- and five-year returns rank in the bottom-quartile of its Morningstar Category; the fund also landed in the bottom quartile of the category in the last three calendar years. The fund's investment style has been somewhat out of favor within its category recently, but we would like to see performance pick up in coming quarters.
