This fund fails our expense screen, with fees higher than the broad category average. Plan costs are sometimes wrapped into fund fees, but because costs are predictive of a fund's future relative performance, we would still prefer to see lower overall expenses here.

Morningstar Investment Management LLC Analysis

This fund fails our performance consistency screen. The team's conservative approach has led to bottom-quartile rankings in years when market performance has been driven by growth-oriented stocks. However, the fund's performance pattern aligns with our expectations, and we are comfortable with this screen failure.

Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.
