Morningstar Investment Management LLC Analysis

We are placing Invesco Diversified Dividend on watch due to the pending retirement of long-time lead portfolio manager Meggan Walsh, who will retire on June 30, 2021. In anticipation of Walsh's retirement, Invesco hired Peter Santoro from Columbia Threadneedle as lead manager on this fund. Santoro has 25 years of experience under his belt and has previously worked on a dividend-oriented strategy, but he is new to Invesco. We are placing this fund on watch so we can monitor how the portfolio and strategy evolve under Santoro.

We placed this fund on watch due to concerns about the fund's fit for retirement savings. This fund fails our style consistency screen due to plotting on the border of the value/blend portion of the Morningstar style box. We are not concerned with this screen failure as the underlying investment process remains consistent. The fund also fails our performance consistency screen due to multiple bottom-quartile calendar year rankings, but the fund's overall track record remains competitive.
