## Morningstar Investment Management LLC Analysis

This fund fails our manager consistency screen due to the retirement of portfolio managers at Wellington and Vanguard. However, their replacements, Matthew Hand at Wellington and Sharon Hill at Vanguard, are both experienced portfolio managers, so we are not concerned with this screen failure and the shift in management teams. We continue to have on-going conviction in this strategy.

## Morningstar Investment Management LLC Analysis

This fund fails the manager tenure screen due to the unexpected departure of Michael Hong from Wellington, which subadvises 2/3 of the this portfolio (Vanguard has been managing the other 1/3 since 2022). Elizabeth Shortsleeve, of Wellington, has been a portfolio manager on this fund since 2022, so while both remaining managers have relatively short tenures with the fund, we retain confidence in the process and in the underlying research resources at both Vanguard and Wellington.
