✗ Performance: The fund has finished in the Commodities Broad Basket category's top three quartiles in 5 of the 9 years it's been in existence.

✓ Management: The fund's management has been in place for 15.51 years.

Style Consistency is not calculated for Fixed Income funds.

✓ Net Expense: The fund's expense ratio of 0.85 is 12.37% lower than the Commodities Broad Basket category average.

## Morningstar Investment Management LLC Analysis

We are placing the DWS Enhanced Commodity Strategy on watch due to a weakening of the performance profile over recent years. This is a quant strategy with 5 alpha drivers, and 2 of those, momentum and tactical hedging have produced negative contributions in recent times and led the fund to bottom quartile returns over the trailing 3- and 5-years. Additionally, weakness in the fixed income alpha driver recently has led the team to reconsider their approach to this segment of the portfolio. As a result of the weak performance and upcoming change to the way the team approaches fixed income we are placing the strategy on watch whilst we monitor on both fronts.

## Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.

## Morningstar Investment Management LLC Analysis

This fund fails our style consistency screen as the fund has drifted into the large-blend portion of the Morningstar Style Box. The drift towards blend is not unexpected as the fund's subadvisor lineup has shifted in recent years to managers that run more core-oriented strategies and lower exposure to deep-value oriented managers. We are not concerned with this screen failure but will continue to monitor the fund's strategy and category assignment.
