## Morningstar Investment Management LLC Analysis

This fund fails our performance consistency screen. The team's conservative approach has led to bottom-quartile rankings in years when market performance has been driven by growth-oriented stocks. However, the fund's performance pattern aligns with our expectations, and we are comfortable with this screen failure.

## Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.

## Morningstar Investment Management LLC Analysis

This fund fails our style consistency screen as the fund has drifted into the large-blend portion of the Morningstar Style Box. The drift towards blend is not unexpected as the fund's subadvisor lineup has shifted in recent years to managers that run more core-oriented strategies and lower exposure to deep-value oriented managers. We are not concerned with this screen failure but will continue to monitor the fund's strategy and category assignment.
