✗ Performance: The fund has finished in the Commodities Broad Basket category's top three quartiles in 5 of the 9 years it's been in existence.

✓ Management: The fund's management has been in place for 15.51 years.

Style Consistency is not calculated for Fixed Income funds.

✓ Net Expense: The fund's expense ratio of 0.85 is 12.37% lower than the Commodities Broad Basket category average.

Morningstar Investment Management LLC Analysis

We are placing the DWS Enhanced Commodity Strategy on watch due to a weakening of the performance profile over recent years. This is a quant strategy with 5 alpha drivers, and 2 of those, momentum and tactical hedging have produced negative contributions in recent times and led the fund to bottom quartile returns over the trailing 3- and 5-years. Additionally, weakness in the fixed income alpha driver recently has led the team to reconsider their approach to this segment of the portfolio. As a result of the weak performance and upcoming change to the way the team approaches fixed income we are placing the strategy on watch whilst we monitor on both fronts.

Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.

Morningstar Investment Management LLC Analysis

This fund fails our style consistency screen as the fund has drifted into the large-blend portion of the Morningstar Style Box. The drift towards blend is not unexpected as the fund's subadvisor lineup has shifted in recent years to managers that run more core-oriented strategies and lower exposure to deep-value oriented managers. We are not concerned with this screen failure but will continue to monitor the fund's strategy and category assignment.
