Morningstar Investment Management LLC Analysis

Due to the retirement of T. Rowe Price New Income's longtime lead manager and other shifts within the team, we are recommending placing the fund on watch. Although former lead manager Dan Shackelford's successor, Steve Bartolini, has experience on the fund, including a year as comanager, there also will be some turnover among the sector portfolio managers, who handle security selection for the portfolio. While the fund is on watch, we will be following performance closely as we assess how the fund fares under its changed leadership.
