✔ **Management:** The fund's management has been in place for 9.25 years.

✘ **Style:** The fund has landed in its primary style box — Large Blend — 63.64 % of the time over the past three years.

✔ **Net Expense:** The fund's expense ratio of 0.3 is 47.37% lower than the Target-Date 2000-2010 category average.

## Morningstar Investment Management LLC Analysis

This fund fails our style screen but its positioning is consistent with its investment strategy and historical portfolios, so we don't think the failure is significant. This fund also fails our expense screen with fees that are higher than the broad category average. Plan costs are sometimes wrapped into fund fees, but because costs are predictive of a fund's future relative performance, we would still like to see lower overall expenses here.

## Growth of \$10,000

## Net Expense

Peer group is a subset of the category and includes funds with the same management style (active vs. passive) and similar share class characteristics.

## Quantitative Screens

✔ **Performance:** The fund has finished in the Mid-Cap Blend category's top three quartiles in 8 of the 10 years it's been in existence.

✔ **Management:** The fund's management has been in place for 15.9 years.

✔ **Style:** The fund has landed in its primary style box — Mid-Cap Blend — 71.43 % of the time over the past three years.

✔ **Net Expense:** The fund's expense ratio of 0.75 is 20.21% lower than the Mid-Cap Blend category average.

## Morningstar Investment Management LLC Analysis

We are placing ClearBridge Mid Cap on watch due to a manager departure. The firm announced earlier in the year that Derek Deutsch, who had comanaged the fund since 2005, would be leaving the fund to focus on another strategy at the firm. Comanager Brian Angerame remains with the fund, while analyst Matthew Lilling has been elevated to the other comanager spot. Angerame's experience is reassuring, but Lilling has not previously run a fund, so Deutsch's departure is certainly a loss. While our concerns are not great here, while the fund is on watch we will monitor it to make sure the strategy and performance remain consistent with its history.
