Morningstar Investment Management LLC Analysis

This fund currently fails the style screen as result of placing just into the small-blend square of the style box, but this is a function of the index that it tracks. It still supplies adequate mid-cap exposure. This fund also fails the manager tenure screen because of manager changes, but we are generally not concerned about manager changes for index funds.

Morningstar Investment Management LLC Analysis

We have placed this fund on watch due to a manager change. In April, manager Nina Jones stepped down to focus on leading T. Rowe Price Real Estate. She was succeeded by Jai Kapadia. While the fund is on watch, we will be monitoring it to confirm that Kapadia continues to deliver competitive returns with moderate risk.
