Morningstar Investment Management LLC Analysis

We are removing Delaware Ivy International Equity from fiduciary coverage. The fund had been on watch for performance and still fails some of our performance screens, but also Macquarie, the new parent of the Delaware Ivy fund shop, recently announced significant changes for many of their funds including this one where longtime managers John Maxwell and Catherine Murray will be replaced by a new team with a new strategy and benchmark. Given the upcoming changes, we are removing this fund from our coverage list for now as the new team reworks this strategy.
