## Morningstar Investment Management LLC Analysis

We are placing ClearBridge Mid Cap on watch due to a manager departure. The firm announced earlier in the year that Derek Deutsch, who had comanaged the fund since 2005, would be leaving the fund to focus on another strategy at the firm. Comanager Brian Angerame remains with the fund, while analyst Matthew Lilling has been elevated to the other comanager spot. Angerame's experience is reassuring, but Lilling has not previously run a fund, so Deutsch's departure is certainly a loss. While our concerns are not great here, while the fund is on watch we will monitor it to make sure the strategy and performance remain consistent with its history.
