## Morningstar Investment Management LLC Analysis

Invesco announced that manager Justin Leverenz, who had led this fund since 2007, has left the firm. The strategy is now run by a four-person team from Invesco's Asian and EM Equities group out of the UK. We had already planned to put the fund on watch for performance and other process and personnel changes, and this adds a new reason for further scrutiny. The fund will remain on watch while we assess the new team's ability to deliver competitive results.

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.
