Morningstar Investment Management LLC Analysis

We are placing BlackRock Inflation Protected Bond on watch following the abrupt departure of its lead and longest-tenured manager, David Rogal. While the fund is on watch, we'll assess the ability of the current team--comanagers Harrison Segall, Johan Sjogren, who joined the fund in February 2024, and newly appointed comanager Russell Brownback--to deliver competitive risk-adjusted results comparable to those the fund achieved during Rogal's tenure.

In mid-September, BlackRock announced the sudden departure of comanager David Rogal, who had been a named manager on the fund since 2017. Although BlackRock has added new comanagers to the fund in the wake of Rogal's departure and the team is supported by extensive resources, we are placing the fund on watch while we monitor performance and assess the impact of the change.

Morningstar Investment Management LLC Analysis

We are placing Franklin Small Cap Growth on watch due to the departure of lead portfolio manager Michael McCarthy, who retired at the close of Q4 2025. The new lead manager is longtime comanager Brad Carris, who has been on the strategy since March 2004 and now works alongside newly appointed comanager JJ Swartz. Swartz joined Franklin in 2022 as an industrial analyst and has no prior track record as a portfolio manager. While the fund is on watch, we will assess its performance, investment style, and prospects for competitive risk-adjusted results under the current management team.
