This fund fails our expense screen with fees that are higher than the broad category average. Plan costs are sometimes wrapped into fund fees, but because costs are predictive of a fund's future relative performance, we would still like to see lower overall expenses here.

Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.
