## Morningstar Investment Management LLC Analysis

We are placing Franklin Small Cap Growth on watch due to the departure of lead portfolio manager Michael McCarthy, who retired at the close of Q4 2025. The new lead manager is longtime comanager Brad Carris, who has been on the strategy since March 2004 and now works alongside newly appointed comanager JJ Swartz. Swartz joined Franklin in 2022 as an industrial analyst and has no prior track record as a portfolio manager. While the fund is on watch, we will assess its performance, investment style, and prospects for competitive risk-adjusted results under the current management team.

## Morningstar Investment Management LLC Analysis

Performance at this analyst-driven fund has fallen off in recent years with three calendar years of bottom-third performance rankings in its category, and underperformance again so far in the first half of 2025. It has lagged the average category peer by two percentage points annualized over the trailing three-year period and lagged its benchmark by 3.5 percentage points over that time. While the fund consistently exhibits lower risk metrics, this stretch of recent underperformance is weighing on the longer-term performance record, and we are placing the fund on watch.
