## Morningstar Investment Management LLC Analysis

We are placing Neuberger Berman Sustainable Equity on watch due to performance issues. The fund has lagged since Ingrid Dyott and Sajjad Ladiwala took over for longtime lead manager Arthur Moretti in early 2016. While Dyott and Sajjad are both experienced investors who supported Moretti prior to his retirement, they have not yet replicated his success. While 15-year returns for the fund remain solid, returns over shorter trailing periods lag both the large-growth category and the large-blend category, to which the fund was moved in 2018. While the fund is on watch, we will monitor the portfolio and performance characteristics closely.
