Morningstar Investment Management LLC Analysis

We are removing Templeton Foreign from our fiduciary programs. This fund had been on watch because of the departure of lead manager Tucker Scott in mid-2019 along with a reshuffling of Templeton's global analysts, who play an important role with this fund. Additionally, performance had been middling, including several years where the fund landed in the bottom quartile of its Morningstar Category. The fund underperformed its benchmark index and average category peer by several percentage points in 2019, and its trailing one-, three-, and five-year returns rank in the bottom quartile of the foreign large value Morningstar Category.
