Morningstar Investment Management LLC Analysis

We have placed PIMCO High Yield on watch due to the departure of longtime portfolio manager Andrew Jessop. Another comanager, Amit Agrawal, left earlier in 2023. The strategy in place is solid but the management configuration is new here, and it will take time for us to assess the fund under the new current management structure.

This fund fails our manager consistency screen due to the retirement of portfolio managers at Wellington and Vanguard. However, their replacements, Matthew Hand at Wellington and Sharon Hill at Vanguard, are both experienced portfolio managers, so we are not concerned with this screen failure and the shift in management teams. We continue to have on-going conviction in this strategy.
