Quantitative Screens

✓ **Performance:** The fund has finished in the Large Value category's top three quartiles in 9 of the 10 years it's been in existence.

✓ **Management:** The fund's management has been in place for 21.07 years.

✗ **Style:** The fund has landed in its primary style box — Large Value — 9.09 % of the time over the past three years.

✓ **Net Expense:** The fund's expense ratio of 0.26 is 70.11% lower than the Large Value category average.

Morningstar Investment Management LLC Analysis

This fund fails our style consistency screen as the fund has drifted into the large-blend portion of the Morningstar Style Box. The drift towards blend is not unexpected as the fund's subadvisor lineup has shifted in recent years to managers that run more core-oriented strategies and lower exposure to deep-value oriented managers. We are not concerned with this screen failure but will continue to monitor the fund's strategy and category assignment.
