Morningstar Investment Management LLC Analysis

We are placing this fund on watch due to the departure of lead PIO (Principal Investment Officer) and sleeve manager James Terrile from the fund. Terrile's departure marks the sixth sleeve manager departure since 2020 and coincides with a period of weak relative performance for the strategy. Seven sleeve managers remain, including new lead PIO Cheryl Frank, who has managed assets here since 2018 and been a co-PIO since 2021. We are placing the fund on watch while monitoring the transition of lead PIO.

Morningstar Investment Management LLC Analysis

The fund fails the manager tenure screen due to a late-2023 departure. However, the new lead manager has been transitioning into the lead position over the past two years and pursues the fund's long-running strategy. This fund also fails our performance consistency screen. The team's conservative approach is reasonable and we maintain conviction in the fund.
