- Management:** The fund's management team has been in place for less than three years.
- Style:** The fund has landed in its primary style box — Large Blend — 90.91 % of the time over the past three years.
- Net Expense:** The fund's expense ratio of 0.29 is 60.27% lower than the Large Blend category average.

Morningstar Investment Management LLC Analysis

The fund fails the manager tenure screen due to a late-2023 departure. However, the new lead manager has been transitioning into the lead position over the past two years and pursues the fund's long-running strategy. This fund also fails our performance consistency screen. The team's conservative approach is reasonable and we maintain conviction in the fund.
