Morningstar Investment Management LLC Analysis

We are placing BlackRock Equity Dividend on watch following the announcement that lead portfolio manager Tony DeSpirito will step down from this strategy at year-end and leave BlackRock in early 2026. BlackRock plans to bring in Cem Inal from AB as his replacement; while Inal delivered competitive results on AB Large Cap Value, his mixed record across other mandates and the decision to hire externally introduce some uncertainty. DeSpirito's longtime comanager, David Zhao, and the rest of the experienced team remain in place, and we will monitor the fund closely to ensure stability and assess the transition. Given these changes, we believe it is prudent to keep the fund on watch until we gain confidence in the new leadership.

Morningstar Investment Management LLC Analysis

We are placing Vanguard Dividend Growth on watch due to significant and persistent underperformance. The fund ranks in the bottom decile for 2023, 2024, and 2025, which has dragged down all trailing periods, including one-, three-, and five-year results. While the strategy's conservative approach has historically provided strong downside protection, such as top-decile performance in 2022's market pullback, it continues to lag in growth-driven markets and has underperformed even relative to other dividend-growth mandates. Given these challenges and its consistent shortfall versus its benchmark, we believe monitoring is warranted while recognizing the fund's quality-oriented approach may rebound in a market pullback.

Morningstar Investment Management LLC Analysis

We are placing Vanguard International Value on watch due to a change in subadvisor. Vanguard announced on June 16th that they had replaced Lazard as a subadvisor with Altrinsic Global Investors, effectively immediately, due to performance concerns. Altrinsic, ARGA, and Sprucegrove will each manage 1/3 of the portfolio. We are placing the fund on watch while we monitor the new subadvisor mix.
